

S.H. 44 Corridor Preservation Study

Study Partners

Study partners include the cities of Caldwell, Eagle, Middleton, Star, Ada and Canyon counties, Canyon Highway District, Ada County Highway District, COMPASS and ITD. They will adopt the final plan.

This study includes a Corridor Preservation Committee (CPC). CPC members include representatives from all of the cities, counties and agencies listed above. The purpose of the CPC is to:

- Help guide the study process
- Help identify important issues, needed improvements and priorities
- Be proponents of the study and actively preserve S.H. 44 as a regional transportation corridor
